

REMARKS

Under 35 U.S.C. §121, the Office has made a requirement for restriction between the following patentable subject matter:

Group I: Claims 1-12, 28-34, and 35-40, drawn to scheduling media data blocks, classified in class 370, subclass 395.4.

Group II: Claims 13-27, drawn to a process to setup a connection, classified in class 370, subclass 395.2.

In order to comply with the Office's Restriction Requirement, Applicant elects **Group I: Claims 1-12, 28-34, and 35-40**, to which the claims are restricted for prosecution in the present application. Applicant reserves the right to file a divisional application(s) and/or a rejoinder(s) of claims directed to the non-elected subject matter at a later date, if so desired.

Conclusion

Claims 1-12, 28-34, and 35-40 have been elected and are in condition for allowance. Applicant respectfully requests prompt allowance of the subject application. If any issue remains unresolved that would prevent allowance of this case, the Examiner is requested to contact the undersigned attorney to resolve the issue.

Respectfully Submitted,
Lee & Hayes, PLLC
